

Morning Workshops - (45 mins - 1 hour approx) continued

	KS1 ACTIVITIES	KS2 ACTIVITIES
5	THE THREE LITTLE PIGS Animal Homes.	HAPPY HABITATS Animal Homes.
<p>For both visits, a look at the different kinds of homes that an animal lives in, from the log pile to the rabbit hole. A woodland walk to discover wild animal homes, a chance to work together to build either a giant bird's nest that won't be blown away by the wind or a house of straw or sticks as in the story.</p> <p>Later on we will use our investigative skills to see if we can blow that house down!</p>		
Curriculum Links	Sc2 5a,5b, Geog 4a,4b 5a Phse 3b En1 2a 2b 3a	Sc2 5a,5b, Geog 4a,4b 5a Phse 3b En1 2a 2b 3a
Learning Objectives	<p>To know the difference between wild animals and farm animals.</p> <p>To understand that animals live in many different kinds of places.</p> <p>To identify where some animals live.</p> <p>To work together to make a finished product.</p>	<p>To know the difference between wild animals and farm animals.</p> <p>To understand some animals live in different kinds of homes.</p> <p>To identify where some animals live.</p> <p>To work together to make a finished product.</p> <p>To understand animals have certain rights.</p>
